PREFACE.

The preparation and publication of this Catalogue was authorized by the Legislature of 1890. The work was begun in November, 1890, and was placed in the hands of the printer in February, 1891.

An effort has been made to furnish a Catalogue with almost exclusive reference to its daily use as a manual in the Library. Facility and dispatch in ascertaining whether any desired book belongs to the Library is the great object to be secured in such a manual; hence the order of works in the Catalogue is alphabetical, which explains itself, and therefore obviates the necessity of frequent explanation by the librarian. The work is classified under two general heads:

FIRST—THE LAW DEPARTMENT, including Reports, Digests, Statute Law, Text Books, Abbreviations, etc.

Second—The General Department, including Literary, Scientific, Historical, Religious and Miscellaneous Works.

It is hoped that this Catalogue will prove useful to the large and constantly increasing number of those who make use of the books in the Library.

Valuable assistance has been obtained in this work from the Catalogue of the Nevada State Library, and to its author, Mrs. Jennie D. Fisher, many thanks are due.

The State Library is open every day, excluding Sundays and legal holidays, from 9 o'clock A. M. to 5 o'clock P. M.

Olympia, Washington, June, 1891.
